Content of reflections appropriate			x		
Project images are high quality					x
Spelling and grammar are correct					x

What was your overall first impression of the website?

It looks really good overall, some of the layout could be fixed though.

Did you have any technical difficulties as you navigated through the pages and displayed the projects?

The links on the bottom of the page all only go to instagram.

What do you feel are the most effective design elements of this web portfolio?

The colors and layout look good overall.

What would you suggest be changed with the design or content of this web portfolio?

The project portion could be touched up by making the cards all even and the footer could be fixed by making them go to different links.
